Confidentiality and Security

We limit access to personal information about you to employees in order to do their jobs and complete the service you have requested from us.

We have physical, electronic, and procedural safeguard policies that comply with our legal responsibilities to protect personal information about you. We have implemented an internal training program about security that is required of every Progress Vehicle Management employee.

Disclosure of your information

We may disclose your personal information to third parties throughout your claim process which we will advise to you, we will also ask for your consent to continue at each stage of the claim before this information is shared.

Please note we will only share your information to these external parties in order to complete the service you have requested from us.

Access to personal information

You have the right to access all your personal information supplied to Progress Vehicle Management and rectify any inaccuracies on the information held. More information on this is available via our website - "Right to Erasure Policy" please read this in full for more information.

Security Breaches- What Happens?

If we learn of a security systems breach we may attempt to notify you electronically so that you can take appropriate protective steps. We may post a notice on our website if a security breach occurs. We may also send an email to you at the email address you have provided to us in these circumstances, as long as consent is provided beforehand.

We take your security seriously and take reasonable steps to protect your information. No data transmission over the Internet can be guaranteed to be 100% secure.

Cookies

We may place a text file called a "cookie" in the browser files of your computer or mobile device. The cookie itself does not contain personal information although it will enable us to relate your use of Progress Vehicle Management websites or Electronic Services to information that you have specifically and knowingly provided. But the only personal information a cookie can contain is information you supply yourself. A cookie can't read data off your hard disk or read cookie files created by other websites.

We may use cookies to track user traffic patterns on Progress Vehicle Management website or Electronic Services, but we do not use cookies to track your use of third party websites.

You can refuse cookies by turning them off in your browser. Alternatively you can set your browser to warn you before accepting cookies; this means you will receive the warning message with each cookie.
