

CALLING ALL MINI CAB OFFICES IN THE GREATER LONDON AREA

Have your drivers been involved in an accident that wasn't their fault? Do they need support to get them back on the road as soon as possible without any unnecessary hassle or cost?

WE PAY MARKET LEADING COMMISSION & PROVIDE PCO VEHICLES QUICKLY ANYWHERE WITHIN THE GREATER LONDON AREA.

Whether they lease their vehicle or are an owner driver we'd like to help.

Our aim is to ensure that drivers are back on the road with the minimum of disruption as quickly as possible.

We can manage their entire claim from start to finish.

All claim related costs will be recovered from the other driver's insurance company.

So whether drivers are insured comprehensively or not let us help them to get back into the position they were in before the accident.

Once notified of a new incident we will appoint a specialist claims adviser to assist each driver and provide them with the following:

- A replacement taxi similar to their own
- A vehicle that is insured for hire and reward purposes
- A quick and convenient delivery time
- Multi lingual language support
- Regular updates by phone, email, text and whatsapp
- An engineer to inspect and assess the damage
- A garage to carry out any necessary repairs
- Help to recover any claim related losses
- The advice and assistance of a Solicitor to deal with any personal injury claim

To see how you and your drivers can benefit, to discuss our services in full and to see how we can pay you very competitive commission please call our sales team on:

We will also organise a personal visit from one of our team at a date and time convenient to you.
